## VISA & REGISTRATION

Candidates admitted to the program will receive admission documents by e-mail and post. To confirm registration, accepted candidates will be expected to pay a deposit on tuition (the deadline for this payment will be set in the admission letter).

Accepted candidates are encouraged to contact the French Consulate (or Campus France office) nearest them, in their official country of residence / citizenship, as soon as possible to inquire about the student visa application procedure which differs from one country to another. A certificate of enrolment (Attestation) will be sent to all accepted candidates with their admission documents – this document will be required for the student visa application.

Please note that the only acceptable form of visa is a “visa long séjour pour études” (VLS-TS). Other forms of visa may prevent a student from completing an internship in France.

## CANCELLATION POLICY

In the case of cancellation more than two months prior to the program start date, a partial refund of the deposit can be made by the school in light of the reasons motivating the withdrawal. **No refund will be made for cancellation notified less than two months before the program start date. Once courses have begun, the student is responsible for full payment of tuition in the case of early withdrawal.**
